Musical Theater Undergraduate Certificate	Delete
Students pursuing a certification in Musical Theater must satisfy all requirements for a BA or BFA in the School of Theater, with a concentration in performance, or a BA or BM in the School of Music, as reflected in the university catalog. Some credits required for the certificate may simultaneously fulfill the learning requirements of the certificate in Musical Theater and fulfill Mason Core requirements. Some courses require placement. Thus, depending on electives and other learning experiences, this certification requires up to 30 credits beyond the requirements to complete a major in the School of Theater. See the <a href="#">College of Visual and Performing Arts website</a> for audition information. Students receiving the certificate must hold a baccalaureate degree or be earning a baccalaureate degree from Mason at the time they receive the certificate. This program of study is coordinated between units within the College of Visual and Performing Arts.	Delete
